About the College

KL B DAV College for Girls Palampur was founded in 1969 with a purpose to cater the educational needs of the girls of the adjoining areas. The institution is managed by Shri Kanhya Lal Butail DAV College for Girls Managing Body Palampur (HP). It is located centrally in a serene environment 1 km away from the old bus stand in the vicinity of lush green tea gardens with its salubrious climate, tranquil and pollution free environment, making it an ideal place for learning and holistic development.

The primary objective of the institution is to enable the girl students to cope with the demand of the contemporary global scenario through effective transaction of the curricular and co-curricular aspects. At present more than 900 girl students are part of this institution. The college possesses adequate infrastructure and a central library for running various programmes in **Humanities, Management, Commerce, Education and Technology** at under graduate and post graduate level. Our constant endeavor is to provide a safe, secure and conducive learning environment to girls from rural and semi urban areas. We have professional courses as BBA, BCA, MCA, B.Ed, D.El.Ed besides running other programmes like BA, MA, B.Com and M.Com.

We strive not only for academic excellence but also focus on engaging them in co-curricular activities for achieving their full potential in academic, cultural, creative, physical and economic development so as to become empowered and capable of nurturing the society and the nation.

About the Seminar

The recent Education Policy by the Government of India is the first in 34 years replacing the National Policy of Education of 1986. The New Policy introduced many reforms in the Indian Education System. The New Education Policy (NEP) 2020 is a comprehensive framework aimed at transforming the education system in India. This policy provides for a comprehensive, sustainable, and reformative roadmap for a paradigm shift in the entire education system in the country to address the existing gaps and challenges and promote the holistic development of students. The main objective of conducting a National Seminar on NEP 2020 is to create awareness among educators and academicians about the key changes and provisions of the NEP 2020. It serves as a platform for participants to exchange ideas, know the pros and cons of the policy, and discuss innovative approaches and challenges for implementing the NEP in their respective institutions. The proposed one-day seminar will explore critical issues faced by the New Education Policy, with a focus on the different aspects of challenges to implement the policy and future prospects.
